

VC SUCTION CUPS VC166/VC2A/...

TYPES :

1. **Universal suction cups**, for handling objects with flat or slightly curved surfaces.
2. **Flat suction cups with cleats**, for flat surfaces where minimum movement is required. The cleats ensure extra stability and distribute the vacuum over a large area.
3. **Bellow suction cups**, for curved surfaces, separating thin items and where height compensation is required.

STANDARD SERIES :

Color : Blue

Diameter : from $\varnothing = 3$ mm until $\varnothing = 280$ mm

Material : Polyvinyl Compound (PVC) of 50 Shore
In some cases it has a durability of 30 times those of rubber.
Certain models are also available in Polyurethane (PU) and Silicone (SIL).

Working Temperature : **PVC** : 0° till 50°C, **PU** : -35° till 50°C, **SIL** : -40° till 180°C

REMARKS :

- This is only a selection of the standard suction cups **available on stock**.
- We have much more models available on request.
(with a minimum quantity of 25 pieces)
- Send us a sample!

We have the most exotic suction cups!
